

2017 ISA Calgary Sponsorship Packages **Now Available!**

Make it happen by sponsoring the ISA Calgary Section's most attended social events of the year the **ISA Annual Golf Tournament** and a "new" networking evening and game night, **'Who wants to be a Millionaire!'**

These events and monthly technical meeting and plant tours are organized by ISA Calgary Section volunteers, but support for these programs is provided by corporate and individual donations like you!

Reach the right people as an ISA Sponsor

ISA sponsorship gives your company an opportunity to reach our Alberta automation, control and instrumentation market. ISA's members and customers come from continuous process, discrete, and hybrid manufacturing environments. They influence buying decisions at every level and represent every major market segment, including energy, food and beverage, chemical, oil and gas, petrochemical, utilities, water/wastewater, and more.

-Packages are the same price as last year-

If you have any questions, please call Susan at 403-837-0926 or email her at isacalg@telusplanet.net

Decide what package your company is interested in and we will email you an invoice and save you a spot. Payment can be made by Cheque, Visa or MasterCard.
